Dear Harvard Club Members,

Happy New Year to you and your families – from all of us at the Harvard Club of Washington!

In 2013, we are looking forward to hosting a number of extraordinary events for you and your fellow alumni. To kick off your year in style, please join us on Friday, January 18th for the second Harvard-Princeton Inaugural Ball. As in 2009, we expect this event will sell out quickly, so please reserve your tickets now! Full details are available on our website (www.harvard-dc.org), and you can always call me or our executive director Caren Pauley at 202.337.1300 with any questions.

In addition, you can find more about all of our events – including dinner and dialog with Ralph Nader, HAA Global Networking Nights, happy hours, and an upcoming discussion with Dr. R. Bruce Donoff, the Dean of the Harvard School of Dental Medicine – on our website. And all of these great events are taking place just in the month of January! Register now for all these exciting upcoming events, and please stay tuned for more to come later in 2013....

Since 1883, our Club has provided unique and compelling opportunities for education and fellowship to members of our Harvard community here in Washington. All of this is possible because of your support of our Club. The Harvard Club of Washington receives no funding from Harvard University. All of our funding comes from the generosity of members like you.

And so – at the start of the New Year, I thank you for your past support of our Club. And I ask that – if you can – you continue to support your Club generously in 2013 and beyond.

Please remember that your Club dues and any additional donations you make to the Harvard Club of Washington are fully tax deductible. If your employer provides a matching program for charitable donations – please consider asking your employer to match your contributions to our Club. We very much appreciate your support. Every dollar you donate to the Club goes to support our communities here in Washington and in Cambridge.

With your support, the Harvard Club of Washington will be able to continue to connect you with the more than 16,000 graduates of Harvard who are a vital part of life in Washington DC. With your support, the Harvard Club of Washington will continue to bring together the very best that our communities here and in Cambridge have to offer.

You can donate to our Club via our website, and you can feel free to call me at our offices with any questions.

Thank you, and happy New Year!

Very truly yours,

David Greene AB '91, MBA '96

The Harvard Club of Washington DC is a 501c(3) organization and does not receive financial support from the University. Funds raised from these events will support the Harvard Club in its charitable mission, including the sponsorship of summer stipends for college students to work at other DC area non-profits. Because the Harvard Club must pay expenses for events in advance, we require at least one week notice to issue any event registration refunds. If you find you cannot attend an event less than a week prior to the event, you may transfer your registration to another member of the Harvard community with notification to Caren Pauley, Harvard Club
