Dear Harvard Club Members,

I need your help.

You have already given to the Harvard Club of Washington. You have joined our Club. You have given us your money and your time in support of our many events and activities.

We need more from you.

As I write this letter, more than 200 of your fellow alumni are interviewing the nearly 1,000 high school students who have applied to Harvard from the Washington, DC area. We interview every student who applies to Harvard. For many kids, we are the first – and sometimes the only – experience with Harvard they will ever have. In so many ways, our Club and our members serve as ambassadors from Harvard here in Washington. All of that is only possible with your support.

You have already given us your time and treasure – but we need more from you.

Whatever you can do to support our Club would be appreciated – whether that is an extra \$10, an extra \$100, or an extra \$1,000. If you'd like, you can restrict your gift to support our scholarships efforts, our book prizes – or you can make an unrestricted donation to the Club.

However you choose to donate, 100% of your donation is tax-deductible. 100% of your donation is appreciated. More than that – it is essential to supporting our communities here in Washington and in Cambridge.

You can give to the Club online – go to <http://www.harvard-dc.org/donate.html>. You can give to the Club by sending us a check. Call us, and we'll be glad to take your credit card information over the phone. Our phone number and address are on the events registration form at the end of this newsletter.

However you give, however much you give – thank you for your support. With your support, the Harvard Club of Washington will be able to continue to connect you with the more than 16,000 graduates of Harvard who are a vital part of life in Washington DC. With your support, the Harvard Club of Washington will continue to bring together the very best that our communities here and in Cambridge have to offer.

Please call me at our offices with any questions. I am grateful for your support, and I look forward to seeing you at an upcoming Harvard Club event.

Very truly yours,

David Greene AB '91, MBA '96  
President, Harvard Club of Washington, DC
