Harvard Club of Washington DC 2011 Public Service Award

Luncheon Honoring Peter Edelman '58 and LL.B. '61

Details on next page

Dear Harvard Club Members,

This fall, we have some very exciting events in store for you.

In September, we will be hosting an evening with Senator Richard Blumenthal '67. The Senator will address the Club on some of the hot political issues of the day, entertain questions from Club members and provide insight into the inner workings of Congress and the political process.

In October, there will be two exciting cultural events: a reception with the Ambassador of Barbados, His Excellency John E. Beale, at the Embassy of Barbados and an opportunity to meet with His Excellency Jason Yuan of the Taipei Economic and Cultural Representative Office at the historic Twin Oaks estate.

In November, we will hold our 2011 Public Service Award (PSA) luncheon honoring this year's award recipient, Professor Peter Edelman '58, L.L.B '61, a Harvard alum who has dedicated his career to working on issues related to poverty and social inequality, both in academia and in the public sector. Currently, Professor Edelman leads the Georgetown University Law Center's Center on Poverty, Inequality, and Public Policy. Previously, he served as Counselor to Department of Health and Human Services Secretary Donna Shalala and then as Assistant Secretary for Planning and Evaluation in the Clinton Administration. In addition, Professor Edelman serves or has served on the board of many non-profit organizations and foundations, such as the District of Columbia Access to Justice Commission, the Public Welfare Foundation and the National Center for Youth Law.

As always, I look forward to seeing you at these and other Harvard Club events.

Very truly yours,

Rene Rocque Lee '97, JD '00
President, Harvard Club of Washington, DC

Funds raised from these events will support the Harvard Club in its charitable mission, including the sponsorship of summer stipends for college students to work at other DC area non-profits.
